JSP Meet and Greet

Wednesday 1st March 5.00pm – 6.30pm

All Junior Secondary families are welcome to meet other families and North High Admin members and staff on the deck in the JSP.
As a new school year begins, some students may feel apprehensive about starting new work and getting back into their studies. We have a fantastic network of student services staff who can support our students with a range of different issues. Our Student Services team consists of two guidance officers, a deputy principal, a community education counsellor / liaison (CEC), school chaplain, school nurse, school based police officer and two youth support coordinators. Our six year level coordinators also deal with a range of student well-being issues including attendance and bullying. This year, we also have a staff well-being officer. If you have any concerns about your students, please do not hesitate to contact the main office and they will direct your concern to the appropriate staff member.

You may have noticed that some of the gardens around the school have been re-invigorated. Our gardening committee is a group of staff members who have volunteered their time to improve our gardens. The library courtyard is one of the areas around the school which has been given a makeover. Thank you to the gardening committee for all their hard work!

Q Parents is a great way to view your student's school information including timetable, attendance rates and report cards. You are also able to pay school fees and explain absences. For more information on how to sign up to Q Parents, please contact the school or go to [https://qparents.qld.edu.au/#/about](https://qparents.qld.edu.au/#/about).

This morning, Patrick Kaufusi and Kyle Laybutt from the NQ Cowboys took time out from their preparation for the NQ Cowboys versus Sydney Roosters trial match on Saturday to visit North High. Patrick and Kyle spoke to Junior students about Respect and Belonging.

Recently, nominees for the Mackay Australia Day awards attended a function at the MECC to recognise their contributions to the Mackay community. Congratulations to Ben Mandall who received the Junior Sportsperson of the year award. This is a wonderful achievement! The back page of the local paper featured Ben and his support team. Well done Ben!

Year 12 Academic Reviews
All Year 12 students will be expected to complete an academic review in the next 2 weeks. Over 30 staff have very generously volunteered their time to conduct these interviews. It is vital all students complete these reviews so that they know exactly how they are tracking towards their goals, and what they need to do to reach their goals. Some of these reviews will be conducted during school hours, and others will be offered during block times over the next 2 weeks. Your students have been emailed a list indicating who will run their academic review. Staff who will be doing interviews in block times can be booked through the school interviews website. Possible days and times are Wednesday 15th from 3:00pm to 6:00pm, Thursday 16th from 3:00pm to 6:00pm, Sunday 19th from 10am to 3pm and Monday 20th from 3:00pm to 6:00pm. Please feel free to contact Mr Beanland if you have any further questions around academic reviews.

Senior Information Evenings
Information evenings commenced this week with the year 10 evening being on Wednesday night. Upcoming evenings are:
Year 11 – Wednesday, 15th February from 7:00 to 8:00pm.
Year 12 – Wednesday, 22nd February from 7:00pm to 9:00pm.
The longer Year 12 evening will initially provide general information for all students. Following this, parents and students following an OP path will have the opportunity to stay for a session around calculation of OPs and why performing to your best on the QCS test is critical. Please bring information from academic reviews along as this should help you follow the processes.

North High Tuckshop
The school tuckshop menu can be found on the school website:
The tuckshop is open from 8.00am each morning for breakfast and pre-orders. EFTPOS is available.
If you have some time available (weekly or monthly or even on the odd day) and would like to help in the tuckshop, please phone Debra Stewart, Ph. 4963 1712.
The tuckshop provides nutritious food for students and raises some funds for P&C driven school improvements.

INSTRUMENTAL PROGRAM

All lessons began this week and were very successful. Students were well prepared and the 50 minute lessons worked very well. Now that lessons have started, all instrumental students are expected to be practising!

All ensembles begin next week (February 13), including marching band training for **ALL students who are new to the band (including the flagbearers)**. This training finishes at the end of this term.

YEAR 7 INSTRUMENTAL PROGRAM ORIENTATION

Sincere thanks to all parents and students who supported our Year 7 instrumental program orientation (for continuing students) last Tuesday evening. It was great to see so many interested, committed families in attendance. A booklet explaining the program was circulated at the meeting – if you were unable to attend, you are most welcome to collect one from the music staffroom.

VOCAL GROUP – CRESCENDO

Our very popular vocal group, Crescendo, will begin rehearsals for the year next Wednesday afternoon (February 15) from 3.00 – 4.00pm in the music room 1401. Last year our sixty voice vocal ensemble secured the second prize in the Secondary Schools Choral Championship at the Mackay Eisteddfod and we are looking forward to another great year ahead. No audition is required – students are automatically accepted if they enjoy singing and are prepared to attend all rehearsals and performances and purchase the full cultural uniform. The group comprises students from Years 7 – 12.

The first performance for the group this year will be at the KMEIA Choral Festival at the Mackay Entertainment Centre on Monday, March 20. This is always a really wonderful event, and our students look forward to hosting the students from St Laurence’s College, Southbank, Brisbane who fly up to perform in the male chorus.

SECOND HAND CULTURAL UNIFORMS

If you have any cultural uniforms at home which are no longer needed, please send them along to the music department and we will sell them for you. Small sizes, in particular, are in great demand and we urgently need more of them.

Note taking is an essential skill for all students but particularly those in Senior subjects.

There are many ways of taking notes effectively. One method is the Cornell Note taking System from Cornell University. It combines notetaking, reflection and summarising to allow students to better recall and comprehend new knowledge. See the example here.

Proposed Anzac tour – 2018

Dear parent / guardian

The organisers of the school’s previous nine overseas Anzac commemorative tours are beginning the process of gauging interest for a similar tour to be held in September / October, 2018.

This tour would be a continuing phase of the very well established “Lest We Forget” History Project, which aims to provide students with practical experiences with regards to understanding and appreciating Australia’s wartime history. These ideals have now reached an even more important stage given the ongoing 100 year commemorations.

At this stage, the idea for a new commemorative tour is a proposal only and it will depend entirely on the feedback from students and their families. The target year levels are current Years 10 & 11.

A general overview of the proposal:

- September holidays 2018 – 3 week tour.
- Same format as currently employed – commemorative tour visiting the battlefields, cemeteries and memorials of WW1 & WW2 – Gallipoli, France, Belgium & Singapore. NB. Our new itinerary option means we do not go near Istanbul on our way to the Gallipoli battlefields.
- Whilst the tour is linked to the Modern History work program, taking Modern History may not be a prerequisite for involvement (all previous tours have had non History students involved).
- A clear understanding that this is not a simple sightseeing tour – a great deal of pre & post tour work will be involved and the tour itself will have a very narrow focus with regards to places visited.
- Interested students will be required to complete an in-depth application form and will be invited to participate based on this application and other relevant factors. Students with a history of behaviour management or attendance issues will not be considered.

In order to provide more information and to get a good indication of interest, there will be an information evening held on Tuesday, 7 March in the Senior Centre auditorium at 7pm.*

This evening is designed to give an outline of how the tour and the associated research may be organised. An outline of the evening will be:

- How the previous tours have been run & issues involved with overseas travel.
- Outline of the possibilities for a new tour – itinerary, preparations, fundraising etc.
- Ideas on costing and research involved.
- Indications of interest and how a long term timeline of planning could be implemented.

Please fill out the form below if you are interested in attending the information evening and have your child return the form to Mr Goodwin in the Senior Co-ordinator’s room. Of course, attendance at this evening is not a commitment to any aspect of the proposed tour.

* Parking for the Senior Centre is via the Burgess St entrance.

Mike Goodwin
Lest We Forget Project Co-ordinator

Our family is interested in the proposed commemorative tour and will attend the information evening on Tuesday, 7 March:

INTERHOUSE SWIMMING CARNIVAL 2017

Over two Fridays - Friday 17th & 24th February - the annual Interhouse Swimming Carnival at Mackay North SHS will be held. These days are NORMAL SCHOOL DAYS and all students are to attend. Friday 17th February will see the junior school compete, and on the following Friday (24th), the senior school will thrash it out in the pool. Both of these days are normal school days and all students are expected to attend, whether they are participating in the carnival or not. Students not participating in the swimming carnival will attend normal classes.

Those students wanting to participate in the day will have nominated during their ADP lesson this week. If students have been away and missed these nominations, they will be been given until the end of second break Monday 13th February to put in their nomination. If students have not nominated, they will be attending normal classes. Students attending the carnival will need to wear full school uniform to school, and bring a hat, as well as their lunch. Sunscreen and water will be provided. Whilst at the carnival, students may change in to their house colours (Bagley - red, Fitzgerald - blue, Norris - green, Spiller - yellow), however they must be in full school uniform before leaving the pool at the end of the day. Students attending the carnival may order from the tuckshop if they wish, however this must be done before 8:30am on the day they are competing, and it will be delivered to them at 12:00pm.

There are many races available to students, ranging from the 25m Freestyle to the 100m Individual Medley. Unlike in previous years, there will be an A & B division for the 50m events - if your child wishes to be considered for Age Champion, they must swim in the A division race.

All students attending the carnival are reminded that this is a normal school day and normal school rules apply. Any student who behaves in an inappropriate manner will be sent back to class and be dealt with in accordance to the school’s behaviour policy. Also, no electronic devices will be permitted at the carnival. Any devices seen will be dealt with in accordance to the school’s electronic devices policy.

Because of the expected number of students participating in the swimming carnivals, due to WPH&S concerns, we will not be able to accommodate parents at these events.

I look forward to seeing many students in their house colours at the pool on over the next two Fridays. In 2016, Spiller took out the Junior Championship, Bagley won the Senior Championship, while Spiller were the overall victors. Who will be in the winners circle this year? Stay tuned to find out…
SPORTING REPRESENTATIVES 2017

Nominations are now being called for students interested in representing the school in the Mackay Schools Hockey Competition. Matches will begin in early March and are played on a Saturday morning at the Hockey fields on Harney Street in South Mackay. If your child is interested in participating in this (no prior experience is necessary) or you have any questions, please do not hesitate in contacting Mrs Sherri Savage at the school.

**SPORTING TRIALS**

Sporting trials are advertised on daily notices at school. These trials are conducted in the age groups that they are turning (or have turned) in 2017. Students wanting to attend sporting trials – either Northern Suburbs (turning 12yrs this year) or Mackay & District (turning 13-19yrs this year) – must collect a form for their chosen sport from Mr Smith in the PE staffroom. These forms must then be taken home and filled out by parents/caregivers and returned to school. When they are returned to school, they are to be taken to the school office and paid for ($2 for Northern Suburbs and $5 for Mackay & District) where they will be stamped. Once the form is stamped, it must then be taken to Mr Smith in the PE staffroom before the due date. This is 1 week before the trial (where practicable) and is stated on the daily notices, as well as the note. Students who do not submit their forms will not be nominated, and will be expected to attend school on that day. Any student who attends the trial without being nominated by the school will be considered to be truanting as the school has not given permission for them to attend the trial. This will be dealt with upon return to school. Also, without the nomination, the student will be ineligible for selection in that particular sport.

Please do not hesitate in contacting me if you have any questions on this.

Yours in sport,

Daniel Smith
Sports Coordinator

On the next page is the sporting trials calendar for 10-12yrs that we were unable to add last newsletter.
