Junior Secondary Leadership

An extremely exciting new initiative is coming in Semester 2 to our Junior Secondary; the introduction of our school’s first Junior Secondary Leadership Team. The Junior Secondary Leaders will work in close conjunction with our Senior Captains and Vice Captains to build on the already strong culture of leadership within our great school. A maximum of 10 Junior Secondary Leaders from the 2014 Year 8 cohort will be selected to lead our Junior Secondary into 2015 with the introduction of Year 7s at North.

I know that we have many wonderful students in Year 8 who would be suitable for these roles. I encourage all aspiring leaders to apply by collecting an application package from our First Year Centre. Nomination forms are due back Wednesday July 16 (Week 1, Term 3).

Year 7 & 8 Scholarships 2015

The Parents’ and Citizens’ Association of Mackay North State High School is very pleased to be offering six scholarships for students who commence school at North High in Year 7 in 2015 and an additional six scholarships for students who commence Year 8 in 2015.

The six scholarships in each year level will be awarded for:

a) academic excellence or
b) sporting excellence or
c) cultural excellence.

At Mackay North State High School a Junior Secondary scholarship will entitle the student to the following:

a) A one-off contribution of $200 in the form of a voucher for school uniforms in Year 7 (or Year 8) in 2015 (from school P and C funds)
b) Waived contributions to the school’s Student Resource Scheme
c) Waived curriculum field excursions costs in the Mackay area in Years 7, 8 and 9
d) Waived fees into national academic competitions
e) Waived fees for Mackay and District Sport Representation in Years 7, 8 and 9
f) Waived fees for Mackay North SHS Instrumental Music Program Years 7, 8 and 9

Applicants may apply in one or more areas of excellence and will be considered separately for each category.

Scholarship Applications can be collected at our front office or are live on our school website. Scholarship Applications will be due by Monday 11th August.

Year 10 Senior Education and Training Plans (SETP) and subject selection for 2015

Term Three is a busy term for Year 10 starting with camp in Week One! Week One, Term Three is also the start of the Senior Education and Training Plans (SETP) process which leads into subject selection for Year 11 in 2015.

From Week One to Week Three students will be engaged with presentations from each of the Heads of Department regarding their subject offerings in 2015. Throughout their Health and Physical Education classes next term, students will be guided through a range of career options culminating in SETP interviews early in September. Parents will be asked to attend these interviews with their child to discuss their child’s education and training plans for the future. During these interviews students will be able to choose subjects for 2015 based on the recommendations of their current classroom teachers. There will also be plenty of opportunities to ask questions.

Mrs Jane Grieger – Deputy Principal (Corporate Services)

Semester One Report Cards and Parent–Teacher Interviews

Report cards will be issued in Week Two of Term Three. For each subject, students will receive an academic result, marks for their behaviour and effort and a comment that indicates their completion of homework. Students will also receive comments from their teachers relating to each subject. Discussions between parents and teachers are always encouraged and sometimes teachers may request an interview with a parent.

Parent – teacher interviews will be held on Tuesday 29th July from 3:10pm to 7:00pm and parents / carers will be able to book interview times online. For parents who don’t have access to the internet at home, at work, at a friend’s house or on their phones, you will be able to book an interview through the school office. Interviews are strictly ten minutes and spaces are limited. If you are unable to attend the evening or the teacher you wish to meet with is unavailable, please contact your student’s teacher directly to make alternative arrangements. More information about the process will be sent home with report cards.

Communication between parents, teachers and students is vital in improving outcomes for students. We hope to see you there!

Mrs Jane Grieger
Deputy Principal (Corporate Services)

School based vaccinations - missed vaccinations

Any parent whose Year 8 boy or girl or Year 10 boy (only) did not receive their second round of vaccination in the last month please phone 4968 3975 to arrange an appointment for a catch up vaccination at Child Health in Nelson Street. This will ensure that the child is on track for the third round vaccination at the end of the year.

Please remember that immunizations are vital for your child’s health and the ongoing health of the community.

Every day counts – will your children be in school?

It’s almost time for the school holidays to mark the end of Term 2. Parents and carers are reminded of the importance of children attending school every day. For more information visit the Every Day Counts webpage.

SCHOOL WATCH PROGRAM

This program is a partnership between the Department of Education, Training and Employment, Queensland Police Service and State Government Protective Security Service (SGPSS) and aims to encourage the community to watch over schools and report suspicious activity to a central reporting telephone number 13 1788.

We rely on the vigilance of our school community and neighbours to watch over our school. Please don’t hesitate to contact 13 1788 if you notice any suspicious behaviour in or around the school.

School holiday fire safety campaign

These school holidays are a perfect time for parents to teach their children about fire safety. A Queensland Fire and Emergency Services campaign will roll out from 23 June asking families to nominate “junior firefighters” in their home. The Blazers’ Brigade campaign is designed to assist children’s learning about fire safety around the home with fire safety koala, Blazer.

Term 3 commences Monday July 14
Make every day count in 2014
As Term 2 draws to a close we can all reflect on a busy six months which has involved much learning for all members of the Mackay North SHS community. We have reviewed, planned, set goals, implemented, tested, reflected, restructured and reflected some more.

The learning cycle is a never ending process; this is what makes us lifelong learners.

As students wind down into their mid-year break, our staff continue to focus on the next six months of the school year and to ensure the learning opportunities are engaging, challenging and progressive for all our students.

Junior Secondary

Junior Secondary remains a strong focus across the State as all high schools prepare for the Year 7 intake in 2015. If your intentions are to seek enrolment at Mackay North SHS in 2015, I would strongly suggest your enrolment forms are submitted to the school office as soon as possible. Student numbers will be a crucial focus point at North as we head towards enrolment capacity with the introduction of the additional cohort in 2015. All enquiries should be directed to our main office on 4963 1666.

Thank you

Thank you to Miss Shannah Kennedy who took on the role of Junior Secondary Deputy Principal in Term 2 in place of Mr Ian Harrison who has been on leave. Miss Kennedy has worked tirelessly with many students in Years 8 and 9 over the term and has had significant input into moving the Junior Secondary agenda forward.

On behalf of the North community I would like to extend my sincerest thanks for the work Miss Kennedy has done and wish her well in her role as Deputy Principal at Brisbane State High School for the remainder of the year.

I would also like to extend thanks to all staff leaving us this term. It is always tricky coming into a school, to slot in seamlessly, quickly understand the local ways of working, get to know many students quickly and plan their education accordingly. All contributions have been greatly appreciated and we wish you all well in your future endeavours.

Similarly, we welcome back staff who have been on leave or in acting positions at other schools. We look forward to the new knowledge they will bring back to us and considered reflections from their time away.

Thank you and Good Bye

It is also timely that I make special mention of a long standing member of staff who has contributed much over a long number of years at Mackay North SHS. Mrs Anne Clutterbuck has decided to retire after a wonderful career that has reached its pinnacle as the Head of Special Education Services. Mrs Clutterbuck is a well-known member of the North community who has touched the lives of many students since 1998. The educational knowledge and leadership that Mrs Clutterbuck has demonstrated over the years will be a legacy that makes North very proud to have had such a wonderful educator on staff. Anne has also contributed to the extra-curricular area of music, where she has worked tirelessly alongside our music staff. Thank you Anne, you will be missed and we wish you well in your retirement.

Report Cards

Student report cards will be distributed after the holidays, please look out for these valuable feedback documents that illustrate your student’s progress. The report cards have specific comments for each subject your student has studied and I would ask you read these comments closely. I would also ask that you use this information to engage in conversation with your students and use as discussion points when you come for parent teacher interviews early next term.

Please read through the new process for booking parent teacher interviews. It is anticipated the new process will provide greater flexibility, transparency and management of your time in organising your bookings.

Timetable

We are currently progressing through a process of reviewing our current timetable structure. Please read, on the following page, specific details on the restructure and considerations within this process.

Have a wonderful break with your families, relax and recharge for a busy Term 3 and thank you to all for your ongoing support and focus on education and improving student outcomes for all.

Jennifer Skeahan
PRINCIPAL
Timetable

We are currently reviewing the school timetable structure. The purpose for this timetable review is timely given the introduction of an additional cohort (Year 7, 2015) where the expectation is that we will have an additional 160 students on site and a further seven teaching staff join us.

The current timetable poses a number of challenges which we need to address; these range in priority however none the less all require consideration and resolution. One of the most significant challenges include the introduction of a whole school ‘Wellbeing’ program for our students that can be mapped across each year level with appropriate juncture priorities for all students. The benefits of a whole school ‘Wellbeing’ program are widely recognized and keenly supported by educators in all sectors and is a responsibility of the school to ensure we are supporting our students holistically. By providing a well-rounded education program, we need to addresses a range of life skills and strategies including, transitional skills, time management, study skills, pathway planning, problem solving, personal hygiene and health, bullying management, cyber-safety, work readiness, education and beyond, etc.

To ensure a ‘Wellbeing’ program does not impact on curriculum timing it is important that time is effectively allocated. It is also crucial that we address the varying time allocations in our current Senior subjects, while also addressing the National Curriculum time recommendations for our Junior core subjects.

The timetable below is an example of the structure we are currently working through to map our timetable. The timetable is constructed on a 20 lesson format, there are 6 blocks each containing 3 x 70 mins lessons. In years 7 to 10 there will be timetabling where 2 blocks will allow flexibility for subjects to be 3 x (2 x70 minutes). Each lesson is allocated a block of 70 minutes and can be split to 35min at the teacher’s discretion. This format is widely used because of the flexibility it provides with subjects and staff management in large High schools.

In this timetable structure, wherever possible all blocks are designed to have morning and afternoon lessons and all blocks will include two lessons on consecutive days. Additionally there is one lesson assigned for ‘Well Being’ and one lesson assigned to Assembly which can be split into 25 minutes Assembly 7/8/9/and 45 minutes Tutorial/Year Level focus (week 1) and 25 minutes Assembly 10/11/12 and 45 minutes Tutorial/Year Level focus (week 2) on rotation. There are also no changes to the start and finish times of the school day and there are no changes to lunch breaks (45 mins) and therefore no consequential impact to music lessons or sport training.

ART SUCCESS

Wow, what a Semester this has been. Yet again, our wonderful art students have made us all proud with their participation in the “Youth Art” competition at the Mackay Show.

Congratulations to all students who entered and thank you for your hard work throughout the term. It takes a great deal of fortitude to place your personal work up for scrutiny and judging. Well done to all!

Special mention needs to go to our award winners.

INTERHOUSE ATHLETICS CARNIVAL

The final battle for interhouse supremacy in 2014 will be held in Week 2 in Term 3 – the Athletics Carnival. Over the many years this carnival has produced intense competition, as well as see the emergence of athletes who have gone on to represent Australia – one example is Benita Willis who competed in 4 Olympic games (her first one in Sydney 2000, and her most recent in London 2012) and 2 Commonwealth Games (Manchester 2002 & Melbourne 2006).

As well as the two carnival days, there will be events held during lunch times in Weeks 1 & 2 of Term 3. These events will be the 3000m (Open & U15) and also all 400m races. Students interested in competing in these races need to turn up to the event (as advertised on Morning Notices) on time.

The Athletics Carnival will be held over 2 days. On Wednesday 23rd July, students will be competing in field events. Nominations have already taken place for this and students will know what events they are competing in prior to the day. This day is a normal school day and classes will operate as normal. However, if your child is involved in an event, they will get a pass to leave class and attend their event. As soon as their event is finished, they will be expected to return to class.

The second day will be on Friday 25th July and will see students competing in the track events. Students do not need to nominate for these races, nominations will be taken at the start of each race. This is also a normal school day and all students are expected to attend. Should your child wish to purchase food from the tuckshop, it will be available at certain times throughout the day. Students are also reminded to drink plenty of water on this day to ensure adequate hydration.

For the track day, students are encouraged to attend the day in their Sports House colours to support their House. However, students should be reminded that they will need to dress appropriately so that they are able to run without increasing the risk of injury to themselves or others. Students who bring prohibited items (e.g. mobile phones) or accessories that are deemed unsafe will have them confiscated and returned to them at an appropriate time.

The results from this carnival will determine the school team that will participate in the MDSSS Athletics Trials, which will be held at Mackay North SHS on Thursday 7th & Friday 8th August 2014.

The first Interhouse Athletics carnival at Mackay North SHS was held in 1965 and was won by Fitzgerald. So who will it be in 2014? Can Bagley back up their success from last year? Will Norris prove that they can swim AND run? Could Fitzgerald or Spiller prove both teams wrong and take out the title? Stay tuned…

NORTH QUEENSLAND SPORTS FOUNDATION STUDENT GAMES

Over the recent Queen’s Birthday long weekend, Mackay North SHS had 3 students representing the school at the North Queensland Sports Foundation Student Games in Townsville. Georgia Sellings, Hayley Heel and Josiah McCarthy competed in these championships and returned with outstanding results, which are outlined below.

Congratulations to these 3 students – we look forward to seeing you tear up the track at the athletics carnivals next term here at North.

         (Ice-cream Party)
Nov 19  Junior Drama Production
         (Tech Run 18 Nov)

The Queensland Government is conducting its annual statewide survey of students who left school in Years 10, 11 and prior to completing Year 12 in 2013. The Early School Leavers survey is a brief, confidential survey that provides a picture of the employment, study and life choices made by Queensland school leavers in the year after they left school to understand why young people leave school early and to help early school leavers make positive career choices.

Between July and August, our students who left school in Years 10, 11 and prior to completing Year 12 last year can expect to receive instructions to complete a web-based survey or a telephone call from the Queensland Government Statistician’s Office to complete the survey. Please encourage them to take part. If their contact details have changed, please assist the interviewer with their updated details or forward the survey to their new address so they can participate.

Thank you for your support of the Early School Leavers survey in 2014.

A SAFETY MESSAGE FROM MACKAY SUGAR
The sugar mills are crushing; please be aware of cane trains and trucks. Mackay Sugar urges all motorists to be alert when approaching cane train crossings – look out for cane trains; stop at the flashing lights, it’s not worth the risk! Children – don’t play on cane train bins; near cane railway tracks, or on cane transport roads - it’s not safe! For all community enquiries, please contact Mackay Sugar on 4953 8300.

Rotary Youth Driver Awareness Program
Road Closure
This driver program will be held at the PCYC on 29th & 30th July.
As a result the access road to the PCYC will be closed from approx. 7.30am to 3.30pm both days.
Access is still available to the PCYC precinct but via Scriha Street.

Staff members were lucky enough to taste-test the prototype of these prize-winning cakes.

Congratulations

Tom Batterham
Molly Bristow
PERFORMING ARTS NEWS

MARCHING BAND AMERICA TRIP
Calling all marching band current members, past members and parents!

So far we have 52 students and 23 parents who have signed up and paid their deposit for our exciting America trip next year. The good news is that Chris Gibbs (from World Projects) in Sydney contacted me yesterday to tell me that the deadline has been extended until the end of July – so it isn’t too late for both students and parents to join in all the fun! We are thrilled that we have two past students coming with us and are hoping that this number may swell by the end of July. If you know any past marching band students who may be interested, please encourage them to contact me on 4963 1686.

INTERMEDIATE BAND MEMBERS
Just a quick reminder that you will need a KAZOO for your first band rehearsal after the holidays. This is because you will be performing a special kazoo piece at the 50th Anniversary Concert in August.

INSTRUMENTAL PROGRAM
All lessons and ensembles resume in Week 1 after the holidays.

IMPORTANT DATES FOR TERM 3
Next term we are participating in the Rock Pop Mime Competition on Saturday night, July 26 at Meadowlands at the Lagoons.

Also we will be presenting a special 50th Anniversary Concert on Friday night, August 22 starting at 7.00pm. ALL current instrumental groups will be performing in this concert.

Kathy GEORGE
HOD – Performing Arts

DATES FOR THE SCHOOL YEAR
Term 3: Monday 14 July – Friday 19 September (inclusive)
Term 4: Tuesday 7 October – Friday 12 December (inc)

When making family plans, please refer to these dates so that your child may attend school everyday, all day.

All these records were made at North High by Benita Willis (Johnson), Olympic and Commonwealth Games Marathon runner, in the 1990s.

In 1997, her younger sister, Caitlyn broke Benita’s 15 years 400m record and in 2006 and 2009, Chelsea Dartnell broke three of Benita’s records; the rest still stand.

Benita was trained in her early years by her father, Tony Willis, a long time, highly respected Science teacher at North and by John Clancy, who was a Physical Education teacher at North High.
MADEC Training Services is delivering

Certificate III in Business Administration &
Certificate III in Disability

Cost: Student Contributions

Eligibility
To be eligible to receive a Government Contribution under the Certificate 3 Guarantee, prospective participants must meet the following eligibility criteria:
- The Program is for any Queensland resident who does not already hold, or is not already enrolled in, a post-school certificate III or higher level qualification from 1 July 2013 (this includes any equivalent certificate III or higher level qualification irrespective of whether the qualification is through a university degree, apprenticeship or traineeship pathway).
- Note: certificate III qualifications completed at secondary school are not counted.
- Note: participants under the Single and Teenage Parent Program (STPP), a jointly funded State and Commonwealth initiative under the National Partnership Agreement for Training Places for Single and Teenage Parents, are exempt from the eligibility criteria relating to previous qualification attained.

Prospective Participants must also be:
- aged 15 years of age or above
- no longer at school
- a Queensland resident i.e. Australian citizen or Australian permanent resident residing in Queensland or New Zealand citizen permanently residing in Queensland.

Certificate 3 Guarantee Student Fact Sheet:
